Law360 Ranks Akerman Practice Groups Among Top 100 Globally

December 1, 2014

Law360 ranked Akerman among the largest U.S. law firms in seven practice groups, including Bankruptcy, Corporate/M&A, Employment, Environmental, Insurance, Real Estate and Securities/White Collar. Akerman was distinguished for having the fifth largest Real Estate Practice Group in the United States and globally, and was ranked among the top 50 insurance practices worldwide. Akerman also was represented as one of the largest firms serving the financial services industry, with the greatest practice group size and reach in the areas of bankruptcy and reorganization, M&A and private equity, capital markets and securities litigation, as well as white collar crime and government investigations.

Law360's Top 100 Practice Groups lists are based on partner headcount data from 300 U.S.-based law firms, including the largest 200 firms in the country. Lawyers are evaluated based on the size of their practice in nine core areas.
