Qualified Opportunity Zone Information Seminar

January 28, 2019

11:00 AM – 12:30 PM PT

Akerman LLP
601 West Fifth Street
Suite 300
Los Angeles, CA

Akerman LLP will host an informative discussion on the recently introduced Qualified Opportunity Zone (QOZ) tax incentives, which stand to fundamentally change the landscape of U.S. real estate fundraising while benefiting some of the country's most distressed communities along the way. The discussion will review the key aspects of this initiative, from structuring projects with QOZ funds to navigating regulatory compliance. This event is geared towards hoteliers, developers, and private equity investors.
